

## Social Media Coordinator

# Social Media Coordinator

### **In this role you will:**

- Work closely with our current Coordinator to source and develop content that is relevant to our work and the wider world of marine conservation! This may include local news, local events, and educational and interesting information on marine life.

## Social Media Coordinator

# Social Media Coordinator

### **About you/key skills:**

- Experience with using social media channels is a must – we have Instagram, Facebook, Twitter and LinkedIn.
- We would be particularly interested to hear from you if you have practice with Twitter/LinkedIn.
- Be able to attend regular FMC meetings (ideally based in Cornwall, but not essential).

*TO APPLY please email [info@falmouthmarineconservation.co.uk](mailto:info@falmouthmarineconservation.co.uk) and tell us why you'd like this role and any relevant experience you may have.*
